Iowa School Buildings are Financed by Propositions Approved by a Vote of the People.

We Propose a 2½ Mill Levy For A Period of Ten Years.

This is "Pay-As-You-Go" Financing.

On Our Assessed Valuation, the 2½ Mill Levy Will Raise \$46,250 the First Year -- \$50,000 the Second Year -- Approximately \$61,250 the Fifth Year -- and \$80,000 the Tenth Year.

The 2½ Mill Levy Will Save Interest Money.

We Are Paying an Average of \$54,000 on Interest Per Year on Present Bond Issues.

The 2½ Mill Levy Will Save Us \$25,000 Per Year.
